

NOVELIC is a high-tech company developing products in the fields of sensors, industrial electronics and wireless communications. We cover all subsystems of a modern electronic product under one roof: Embedded HW/FW, FPGA, ASIC, RF IC, etc. **NOVELIC** has dynamic and creative working environment with excellent working conditions. Responsibility and opportunity to lead and drive the projects is given. Stable long-term career roadmap for proven team members is our goal, so as yours.

We invest in excellence, offer excellence and ask for excellence.

We are pleased to offer a full-time position for:

Embedded Hardware Engineer

You should have:

- Education level: Bachelor or Masters' Degree
- Experience in high-scale projects with reporting, presentations, conferences, etc.
- Proficiency in English, both written and spoken

You should be experienced in the following:

- Performing selections of components and developing schematics and PCB design files for different parts of the system, such as: analog and digital inputs, communication interfaces, processor and control logic, onboard diagnostics, etc.
- Experience with microcontroller peripherals including I2C, UART, SPI, USB, ADC, and thermal sensors. Embedded WiFi experience.
- Competent knowledge of EMC-compatible electrical design
- Ability to read and comprehend electrical schematics and troubleshoot hardware problems on prototype boards
- Providing support for Software Engineers during software development
- The ability to work self-dependent in a team

This position includes development of electrical embedded systems or components for electrical control units in industrial and automotive applications. Contributes to team effort by accomplishing related results as needed.

We offer working in a dynamic environment in a team with good engineers, including attractive salary packet with private pension and health insurance, bonus, highly paid business trips etc.

If you are interested in becoming a part of Novelic, please send us your CV and a brief motivation letter (in PDF format) to the following e-mail address: careers@novelic.com with the subject <NIC_HW_201807_YourName>

We look forward to meeting you!
