

NOVELIC is a high-tech company developing products in the fields of sensors, industrial electronics and wireless communications. We cover all subsystems of a modern electronic product under one roof: Embedded HW/FW, FPGA, ASIC, RF IC, etc. **NOVELIC** has dynamic and creative working environment with excellent working conditions. Responsibility and opportunity to lead and drive the projects is given. Stable long-term career roadmap for proven team members is our goal, so as yours.

We invest in excellence, offer excellence and ask for excellence.

We are pleased to offer a full-time position for:

PCB Designer

You should have:

- Education level: Bachelor or Masters' Degree
- Experience in high-scale projects with reporting, presentations, conferences, etc.
- Proficiency in English, both written and spoken

You should be experienced in the following:

- PCB design (it would be desirable 3+ years of experience)
- CAD competency with at least one of recognized ECAD tool suites for PCB design (Altium Designer, ORCAD, Allegro, etc.)
- Understanding of EMC and design considerations
- Solid understanding of electronics and components, ability to read and understand schematics
- RF Electronics and high speed digital design experience a plus

Critical aspects of the role in general include designing, production and documentation of PCB's in line with established methodology, standards and procedures. Keeping current in information and technology to increase innovation and ensure quality is essential. This is a great opportunity for a goal oriented PCB Designer who is seeking to design circuit boards with a high commitment to meeting schedule, cost and performance targets while maintaining the highest quality standards

We offer working in a dynamic environment in a team with good engineers, including attractive salary packet with private pension and health insurance, bonus, highly paid business trips etc.

If you are interested in becoming a part of Novelic, please send us your CV and a brief motivation letter (in PDF format) to the following e-mail address: careers@novelic.com with the subject <NIC_PCB_201807_YourName>

We look forward to meeting you!
Novelic team
