

NOVELIC is a high-tech company developing products in the fields of sensors, industrial electronics and wireless communications. We cover all subsystems of a modern electronic product under one roof: Embedded HW/FW, FPGA, ASIC, RF IC, etc. **NOVELIC** has dynamic and creative working environment with excellent working conditions. Responsibility and opportunity to lead and drive the projects is given. Stable long-term career roadmap for proven team members is our goal, so as yours.

We invest in excellence, offer excellence and ask for excellence.

We are pleased to offer a full-time position for:

Analog/RF IC & mm-Wave IC Design

You should have:

- Education level: Bachelor or Masters' Degree
- Good fit in agile working environment
- Proficiency in English, both written and spoken

You should be experienced in the following:

- High-scale projects with reporting, presentations, conferences, subversion systems, bug tracking etc.
- Implementation of knowledge in analog RF/IC Design (preferable 3+ years of experience)
- RF and EM simulators, such as: Virtuoso, ADS, Momentum, HFSS
- Architecting crucial analog and RF IC blocks
- Design and layout of essential RF IC blocks – Low noise amplifiers, Power amplifiers, mixers, VCOs, PLLs.
- Design and layout of wide variety of analog blocks – from biasing blocks, high speed I/O circuits, ESD protection, signal processing chains approaching ADCs, ADCs/DACs

This position includes good understanding of requirements and their specification, architecting crucial analog and RF/IC blocks, as design and layout of essential RF/IC blocks and wide variety of analog blocks.

We offer working in a dynamic environment in a team with good engineers, including attractive salary packet with private pension and health insurance, bonus, highly paid business trips etc.

If you are interested in becoming a part of Novelic, please send us your CV and a brief motivation letter (in PDF format) to the following e-mail address: careers@novelic.com with the subject <NIC_AMD_201807_YourName>

We look forward to meeting you!
Novelic team
