

NOVELIC is a high-tech company developing products in the fields of sensors, industrial electronics and wireless communications. We cover all subsystems of a modern electronic product under one roof: Embedded HW/FW, FPGA, ASIC, RF IC, etc. **NOVELIC** has dynamic and creative working environment with excellent working conditions. Responsibility and opportunity to lead and drive the projects is given. Stable long-term career roadmap for proven team members is our goal, so as yours.

We invest in excellence, offer excellence and ask for excellence.

We are pleased to offer a full-time position for:

C/C++ Programmer

You should have:

- Education level: Bachelor or Masters' Degree
- Experience in high-scale projects with reporting, presentations, conferences, etc.
- Proficiency in English, both written and spoken

You should be experienced in the following:

- At least 3 years of programming experience
- C/C++ programming language
- Debugging software, version control systems (Git, SVN, etc.) and build environments (CMake)
- Knowledge of standard programming algorithms, design patterns, and object-oriented software design
- Knowledge of other programming languages like Python, Java
- Experience with embedded technologies and understanding of RTOS

This is a great opportunity for a goal oriented C/C++ Programmer who will implement and verify system designs, while satisfying agreed necessary conditions for quality, reliability, maintainability and cost. A typical day as an C/C++ Programmer will include development and reviewing of C/C++ language code, as well as evaluation and debugging of the code. Keeping up with modern software techniques and best practices is important.

We offer working in a dynamic environment in a team with good engineers, including attractive salary packet with private pension and health insurance, bonus, highly paid business trips etc.

If you are interested in becoming a part of Novelic, please send us your CV and a brief motivation letter (in PDF format) to the following e-mail address: careers@novelic.com with the subject <NIC_CP_201807_YourName>

We look forward to meeting you!
Novelic team
